

Share your tunes anytime, anywhere.

The compact, portable Orbit MP3 speaker system is an ideal way to share your MP3, CD player, or laptop tunes anytime, anywhere. Slip it out of your pocket or purse for an instant audio broadcast. Just plug and play, the incredible full-bodied, 360-degree sound will amaze your friends with its clarity and range. At the park, at a party, or just at your desk, it is a great companion for your favorite music device when you want a break from headphone wires or share your tunes with friends. And, with its long battery life, the music keeps playing long into the night.
