

# Never go power-hungry again.

The Expressionist Ultra puts you in the heart of a sonic tsunami. Exhilarating waves of sound flow at you from five digital amplifiers powering five separate drivers. The long-throw 6-1/2-inch subwoofer pumps out seismic bass and the precision-matched mid-range and high-frequency neodymium speaker drivers deliver exceptionally accurate, full-spectrum sound. This uniquely designed 3-piece, 200 Watt powerhouse is one serious audio system that will take your music, movies and games to a whole new listening level. Enjoy earth shaking sound from your MP3 player, TV, game console, DVD player or other audio device.

## expressionist™ ULTRA

Best-in-class three-piece speaker system  
for computers, MP3 players, and more

The Expressionist Ultra is the pure expression of power – 200 continuous watts (RMS) delivered in dramatic design. For music, movies and gaming, it's the ultimate power trip.

hear what's next™
